

NOMINATIONS ARE NOW INVITED FOR THE 2008 AUTO VENDING INNOVATION AWARDS

The prestigious biennial Auto Vending Innovation Awards are back - and they're bigger and better than ever. This year there are six categories (see the attached form for details) and the winners will be announced at a Gala Dinner taking place at Manchester's Old Trafford on November 24, the evening before Nivex North. As always, the winners will be kept a closely guarded secret until the night and an overall winner will also be announced.

Previous winners of these coveted awards have used their award-winning status as part of their marketing mix and found it really does single them out from the competition. Entry is free of charge. You can nominate your own company or a supplier/customer for any of the categories you feel appropriate. You can also enter more than one category if you wish. Please supply as much information as you can in support of your nomination as this will help the independent judging panel to make an informed decision.

The deadline for receipt of entries is August 15.

As always, if you have any questions or for a nomination form, please contact me on 07808 181893 or speak to Phil, David or Gavin in the office - 01342 844444.
